

Fly fishing on the Kyll (Hillesheim, Vulkaneifel)

Would you like to

- get out with your fly rod, breathe some fresh air and enjoy original nature?
- observe hunting kingfishers and bathing dippers in clear water?
- watch the frisky living of numerous crayfishes and spawning brook lampreys?
- discover brown trouts and graylings grown up in natural environment?
- fish fair and environmentally sensitive with consideration and respect for the nature?

Yes, of course. Please visit us!

Our natural fly fishing area (four kilometre) is one of the most beautiful sections on the river Kyll. The fishing club 1. ASV Hillesheim 1977 e. V. is leaseholder of the river Kyll of the Hildesheim collective municipality.
